Golden Jubilee Trading L.L.C.

About Us

Golden Jubilee Trading L.L.C. is a Dubai-based company registered with the Chamber of Commerce, with years of experience in the large-scale import of agricultural products through container shipments.

We specialize in the import, wholesale supply, and distribution of fresh fruits and vegetables. Our operations combine international sourcing with a presence at Al Aweer Central Market and dedicated cold storage facilities.

Our Products

Our core product categories include fresh fruits and fresh vegetables for the wholesale market. We handle agricultural produce in commercial quantities, with product varieties and origins depending on seasonal availability and customer requirements.

Our Services

Fresh Produce Imports — We import fresh fruits, vegetables, and other agricultural produce through container shipments for wholesale supply.

Wholesale Supply and Distribution — We supply fresh produce in bulk to wholesalers and other commercial buyers, supporting both individual orders and ongoing business relationships.

Market Sales — We have extensive space at Al Aweer Central Market for the sale of our products, supporting our wholesale operations.

Our Facilities

Alongside our market facilities, we have two newly established cold storage facilities to support the storage and handling of our fresh produce.

Our market and cold storage facilities comply with the latest DP World standards.

Our Approach

We focus on understanding our customers' product requirements, communicating clearly, and developing reliable, long-term business relationships. Our experience in container imports, wholesale trading, and produce storage supports our work with commercial buyers.
